## TOWNSHIP BOARD LOOKS AT NEW HIRING

by KIMBERLY BLAKER

At the June 14, Huron Township Board meeting, Chief Judge Tina Brooks Green informed the board that an opinion received from CSX stated that local police can no longer write tickets to trains. Brooks Green said she plans to address the five area boards to request a resolution to take to the U.S. Senate for preventing increased train blocks.

At the request of local resident, Jim Gersack, Attorney Richard James proposed a noise control ordinance. However, Trustee John McKinney pointed out that noise ordinances usually tend to be used against unpopular people or to prevent freedom of speech and are not used uniformly throughout the community.

Supervisor David Glaab asked Gersack to assemble some data for the Township Attorney to review and then be brought before the Board.

Another item, an amendment to the Grading Plan that would require a licensed surveyor or engineer to draw up all grading plans in the township, failed after Trustee Nora Adkins expressed concern over the high cost to customers.

One of the most important issues at the meeting was a proposal by Treasurer Jarrod Barron for hiring the new Chief of Police. If adopted, the process could be implemented in hiring of other Township positions as well.

Barron suggested a five-phase plan. It would begin with a panel that includes the Township Clerk, Treasurer, Supervisor, and two others who

would narrow the 26 candidates down to 10. Then the 10 candidates would be tested by MML (Michigan Municipal League). Scores would be submitted to all the board members. Then large-scale interviewing would narrow the choice to three to five candidates. Next a police department panel would privately interview candidates and submit written evaluations. And finally the full Board would interview the candidates.

Barron said, "I think this captures the openness and inclusion of everyone" similar to the School Board's recent hiring of Superintendent Thomas Hosler.

After compliments and a few alterations to the plan by McKinney, Adkins motioned

that all board members review the plan and make recommendations to the Clerk for the next board meeting. The motion was carried.

Next, after a recent request by the Concerned Citizens Coalition, McKinney made a proposal to change the Board meetings to twice monthly beginning at 7:30 p.m. The purpose of the request was to increase public involvement. However, the Supervisor argued, "I don't feel compelled to change, personally." And Trustee Glaab reminded the board that meetings are taped so people can watch at home. The motion failed after being opposed by M. Glaab, D. Glaab, Mason, and Barron.

Adkins then motioned to change the time to 7:00, which

was passed with Supervisor Glaab and Trustee Glaab opposing the motion.

At public participation Ray Chaffron revealed that in other cities, planning and zoning directors are required to be certified, and salaries are in the \$40,000 to \$50,000 range. While this township hired an uncertified Director for \$60,000 annually. Chaffron explained that without certification, the township has no recourse if the Director makes a serious mistake.

Yet, when the Supervisor was asked about the licensing of a Director of Planning and Zoning an an interview on June 7, he stated that there is no such thing as a license for planning or zoning and that an education

## MENDRYSA AND APPLEBY ARE RE-ELECTED TO SCHOOL BOARD

by LARRY O'KELLEY

The annual school election held on June 12 offered no surprises as the incumbents prevailed.

The election was a low pro-

file event with only 294 citizens bothering to vote. There were three candidates for two spots and the campaigning was at a minimum or not at all.

Incumbent Donna Mendrysa

garnered the top spot with 204 votes with Ken Appleby close behind with 198 votes. Newcomer Richard Craven garnered 110 votes.

## ICED MOCHA CAPPUCINO

Fill a 16-oz. glass  
with ice. Add:  
1/2 cup cold\*  
Coffee

3/4 cup Skim Milk  
2 tbs. Chocolate  
Syrup

Stir until blended.

For a frosty cap just add all of the ingredients to a blender and whip until smooth. Makes 16 oz.

Variations: Raspberry Mocha, add 1 tbs. raspberry syrup. Vanilla, omit chocolate syrup and add 1 tbs. vanilla extract.

\*cold coffee works better because warm coffee makes the drink cloudy and it also melts the ice and waters down the flavor.

# LEAD TEAM PUTS ON ICE CREAM SOCIAL

On Thursday, June 8, the Huron School District LEAD (Leading Excellent Academic Direction) Team recognized the entire District staff by putting on a year-end ice cream social. The social, which was held in the High

school cafeteria, was in recognition of Huron School District employee's hard work, which made the year a success.

The social started at 2 p.m. and within minutes the cafeteria was full of happy chatter and laughter from the custodians, teachers, lunch aids, administration, and even the summer help. All of the District's 210 employees were invited.

The picnic-style event was decorated with red and white table clothes and balloons. And to add to the festivity, lines of (plastic) ants were creeping across the tables.

LEAD Team members poured iced tea and lemonade as guests were enjoying ice cream and cookies, prepared by LEAD Team members Dixie Ziggler and Barb Nieman.

Team member JoAnne Gerben said that next year they may do a luncheon or picnic for their year-end staff recognition while she continued, "We want to improve the morale."

LEAD Team Facilitator Debra Krauss said that the Team does an opening ceremony every year for staff members and the ice cream

social was "a way to do some closure in recognition of their hard work."

The Team, which meets monthly, was formed six or seven years ago for the purpose of improving the school district. Currently there are 27

members on the Team, consisting of parents, teachers, teachers aids, and community members.

LEAD has several subcommittees including a communications committee, a public relations/community outreach

committee, and a media committee.

Krauss explained that this year the Team's primary focus has been on district-wide communication. The NCA was also a main focus. Next year

the Team hopes to implement ideas they've generated and look at some action plans, as they are "really an action team" that works toward district-wide improvement, said Krauss.

## You Are Cordially Invited to A Town Meeting for the Huron Charter Township Master Plan

DATE: Tuesday, June 27, 2000 TIME: 7 p.m.-10 p.m.

PLACE: Ford Training Facility, 17757 Woodland Drive, room E-1, New Boston, MI 48164

Huron Charter Township is hosting a Town Meeting to obtain your ideas for the future. Your ideas will be incorporated into a plan for the future development of your community.

### Why are we updating the Master Plan?

- With 2,767 new residents in the Township, Huron Township has seen its population grow more between 1990 and 2000 than any other time in recent history including 1950 when it gained an additional 2,190 people.
- The median home value in 1980 was \$77,565, in 1990 it was \$81,600. According to National Decisions Systems data, the median home value in 2000 is estimated at \$124,668. This increase reflects the recent trend in new, more expensive housing in the Township.
- The County is considering a multi-million dollar technology and distribution development that will greatly impact Huron Township.
- There are new advances in planning technology that can help promote and preserve the character of Huron Township provided they are identified in the Master Plan.

### What is the object of the Town Meeting?

- The object of the Town Meeting is to solicit ideas from you, the stakeholders of the community, and to build consensus regarding the future land use and development of the corridor.
- During the session a shared vision (understanding) of the following key issues will be determined:
  - Describe the successful characteristics of the future Township. What will be happening?
  - Describe the optimum future range of uses for the Township. What kinds of uses will be there?
  - Describe the type of pedestrian and vehicular traffic that the redeveloped area will generate and how it will be handled.
  - Describe how the villages will relate to the surrounding neighborhoods and the rest of the Township.

The session will begin with an overview of site conditions, land use, traffic, and other relevant trends as background information for the group discussions. Then we will break up into small groups for specific items, such as "opportunities & constraints," "potential future land uses," "vehicular & pedestrian circulation," and "design considerations." Each group will be asked to create a list of issues and ideas to then share with the entire group.

We welcome your comments and ideas on the many issues facing the development of the Township. If you have any questions or ideas, please call John Jackson, McKenna Associates at (248) 553-0290.

## 34TH DISTRICT COURT

The 34th District Court in Romulus will host a free orientation program to introduce the Michigan Youth Challenge Academy (MYCA), administered by the Michigan National Guard. The program which includes lunch will be held Wednesday, June 28 from 11:30 a.m. through 2:00 p.m. at the Romulus Double Tree Hotel, 31500 Wick Road,

Romulus. The MYCA is a second chance for at risk youths, 16-18 years of age. The program is free to participants and carries no obligation to join the military. The program is designed to help high school dropouts get a GED or high school diploma, improve life skills and improve the chance of employment through military-style discipline.

In addition to 400 hours of classroom instruction, cadets receive leadership, self-discipline, physical and vocational training. It also offers a 12-month mentorship in the youth's own community.

Cadets perform a minimum of 32 hours of community service and earn eight hours of college credit from Kalamazoo Valley Community College.

The event is being sponsored by the 34th District Court and Double Tree Hotel. If you are an interested person who works with at risk youths and are interested in attending this exciting informational forum, please contact Lisa by June 21, 2000 at (734) 941-4462 Ext. 205.

Additional information about the Michigan Youth Challenge Academy can be found on-line at [www.state.mi.us/dmva/myca-cademy](http://www.state.mi.us/dmva/myca-cademy) or call 1-800-372-0523.

# POSTAL NEWS

By encouraging the use of a special fund-raising stamp on cards and letters, the New Boston community along with the employees of the New Boston Post Office accepted the United States Postal Service's one month nationwide challenge by raising \$1,979 for breast cancer research. The national goal is to sell out the entire print run of 280 million stamp. The Postal Service's Detroit District (481, 482, 492 Zip Codes) sold more than \$200,000 in the month-long campaign.

If the entire print run is sold out, an estimated \$20 million will be raised for breast cancer research. To date more than \$14 million has been raised. The *Breast Cancer Research* "semipostal" stamp is the first in U.S. history to have its net proceeds above the cost of postage earmarked for research organizations. "The self-adhesive *Breast Cancer Research* stamp will be available until July 29th," said Postmaster William Reeder. "There is still time left to be a part of a major impact in breast cancer research.

Whether it is a family member, friend or friend of a friend, we all know someone who has been touched by breast cancer. I am encouraging everyone to purchase and use the stamp before it goes off sale."

The 40-cent, *Breast Cancer Research* stamp is valid for postage at the 33-cent First-Class letter rate, with up to seven cents per stamp sold going to research. Seventy percent of net proceeds above the cost of postage is given to the National Institutes of Health (NIH). Thirty percent goes to the Medical Research

Program of the Department of Defense (DOD). The NIH and DOD, which both conduct breast cancer research, were identified as recipients of the

funds by legislation. The stamps are also available toll-free at 1-800-STAMP-24.

celebrate special events and well wishes. Chase black animal thru yard? *Lucky #887.*

### Scorpio October 24 - November 22

Decisions made, are difficult. Remember they may be permanent. Family members appear to have fears from recent past. They haven't. All watch with careful eye. Open door before closing. Locks rusty! Keep needed oil. *Lucky #863.*

### Sagittarius November 23 - December 21

So you think it's all about you. Think again. There are others. Time to think of future, including others in plans. Can't run thru life like wild boar. Summer heat takes toll. Is it on you too? Or just flowers? Water helpful. *Lucky #817.*

### Capricorn December 22 - January 20

Computer dreams. Any

dreams. You are the cause of your own nightmares. Wake up. Holiday plans unravel as pump prices soar. Don't cancel. Situation may worsen. Replace broken window. Use glass. Wash face of children. *Lucky #864.*

### Aquarius January 21 - February 19

Pleased with self lately? Children show unusual amount of attention to you. Don't be suspicious. Cool breeze chills spine. Feels like horror novel. What is scaring you anyway? Maybe only in your thoughts. *Lucky #896.*

### Pisces February 20 - March 20

Oh, brother! Oh, sister! Okay, who's missing? Recent family visit eats at nerves. And you thought you moved far away. Officials press you for information. Are you ready to give it up? Is it necessary?

*If you need a lawyer, you want one with experience...*

# CLOWNING AROUND

Thursday evening, June 8, the community center was transformed into a clown college for members of the C.Y.B.O.R.G.S. Club.

Members were instructed by their director on how to apply makeup used for clowning. Members did not need any instruction in the art of clown-

ing around, they seemed to have had plenty of practice by just being kids.

Members would like to thank Sandy Johnson of

DoSans for contributing supplies for the class, they would also like to thank her for always being such a great supporter of the club as well as the

Huron Township Parks and Recreation.

Members will be taking the summer off, but class/meetings will resume in September.

## BELLEVILLE FARMER'S MARKET

A new Belleville Farmer's Market is coming to downtown this summer. The market, which is being sponsored by the City of Belleville, is scheduled for Saturdays at 7 a.m. beginning on July 8 for the balance of the growing season.

The location will be the parking lot behind the Museum at 405 Main Street.

Vendors are invited to bring their fresh produce and food items, as well as home-made baked goods and other home-made food products to sell at

the market. Vendors will be charged \$8 per day per stall to help defray the costs of advertising and promotion. A discounted seasonal fee is also available. A vendor application form and additional information can be obtained by call-

ing the City Clerk's office at (734) 697-9323.

Mayor Protem Kay Atkins, who is organizing the project for the City, said that there are three goals in establishing a downtown farmer's market. "We hope to create an attrac-

tion which will bring people to downtown Belleville," she explained, "as well as provide a convenient service for residents, and a chance for local food vendors to sell their products downtown."

## BOARD

is all that is required.

Finally, Mary Lou Carey criticized the Township Clerk and Supervisor for failing to bring a key to the recent LDFA meeting, which prevented the meeting from being taped. Carey angrily exclaimed,

"This is the people's business, not yours."

*Editor's note:* Although there is not a State requirement that a Director of Planning and Zoning be certified, Supervisor Glaab may not have been aware that Michigan offers

voluntary certification by the PCP. In addition, most cities and townships look for a per-

son with AICP (American Institute of Certified Planners) certification by the American

Planning Association. For more details go to [www.planning.org](http://www.planning.org).
